To provide the highest quality educational opportunity for all students in a diverse learning environment, UW System Admissions Offices seek to admit students whose academic preparation, background and personal experience suggest that the student will succeed at the institution, benefit from that educational experience, and contribute to the educational environment. For information about UW System general admission requirements and selection criteria used by all UW System institutions, see the UW System Freshman Admission policy at www.wisconsin.edu/policies/freshmanadmission.htm. For more information about admission expectations and guidelines at specific UW institutions, visit the appropriate UW campus Web site (see page 8) or UW HELP at uwhelp.wisconsin.edu.

SECTION 10  APPLICANT’S SIGNATURE (To be valid, application must be signed and dated.)

I agree to notify the admissions office, in writing, if there is a change to any of this information, including permanent home address. By filing this application, I authorize my high school to release a transcript of my high school record and any other pertinent information to the University of Wisconsin System. I further authorize the University of Wisconsin System to release my Social Security Number and date of birth to any UW Institution. If I enroll at this University, I will abide by its rules and regulations. This application and supporting documents become the property of the University of Wisconsin System.

education. Most students sign the Wisconsin Covenant "Pledge" in 8th grade. For more information on the Wisconsin Covenant, visit wisconsincovenant.wi.gov.

Semester/Term You Plan to Enter (20): If you plan to enter a UW System institution during an interim term, check other and indicate year. Contact the campus you plan to enter for specific information regarding availability, dates and admission process.

RESIDENCY INSTRUCTIONS

Wisconsin Statutes, Section 36.27(2), govern resident status for tuition purposes. If you do not qualify as a Wisconsin resident, you must pay full tuition. In determining resident status for tuition purposes, different standards are used than those which may be used for voting, paying taxes, etc. Individuals who come to Wisconsin primarily for educational purposes do not automatically qualify as Wisconsin residents for tuition purposes even after living in Wisconsin a year or more. You may be asked to provide further information related to a determination of resident status for tuition purposes.

In general, you must be a bona fide resident of Wisconsin for at least 12 months prior to enrollment to be eligible for in-state tuition, but there are some exceptions:

1. If you graduated from a Wisconsin high school and your parent(s) lived continuously and only in Wisconsin for the 12 months prior to enrollment, you may qualify as a Wisconsin resident. Complete all parts of Section 7 of the application form and your status will be determined.

2. If one of your parents lives in Wisconsin and you are a tax dependent of your parent(s), or if you are a refugee who came to Wisconsin immediately upon entering the United States, you may be able to pay fees and tuition at the resident rate. You may also qualify for the resident rate if you are a member of the Armed Forces stationed in Wisconsin, a migrant worker who has worked in Wisconsin annually, or the spouse or child of a person in one of these categories. If you believe you qualify under one of these categories, contact the campus to which you are applying for information about Wisconsin Statutes 36.27(2).

3. If you, your spouse, or someone who claims you as a tax dependent has relocated to Wisconsin for full-time continuous employment with a current employer, or has accepted new full-time employment with the same employer before moving to Wisconsin and before applying for admission to a UW System institution, if that employment has begun before your term of enrollment and continues full-time with the same employer, you may qualify as a resident for tuition purposes if you intend to establish and maintain a permanent home in Wisconsin. You will be contacted for additional information.

Minnesota Residents: You may be eligible to participate in the Wisconsin/Minnesota tuition reciprocity program. Contact the Office of Higher Education, 1450 Energy Park Drive, Suite 350, St. Paul, MN 55108-5227 (651-642-0567 or 1-800-657-3866); or visit their Web site at www.getreadyforcollege.org for more information. On this application, you should not claim legal Wisconsin residence. You will be classified as a nonresident at the institution where you enroll. To expedite classification please provide your Social Security Number.

ADDITIONAL INFORMATION (continued from p. 1)

Financial Aid: You may submit an application for financial aid after January 1 of the year in which you wish to enroll (for fall semester applicants). Most institutions have financial aid priority dates or deadlines, so it is generally to your advantage to apply as soon as possible after January 1. A financial aid application form and information concerning the application process may be obtained from your high school counselor or from the financial aid office of the institution(s) to which you are applying. To access the Free Application for Federal Student Aid (FAFSA), visit www.fafsa.ed.gov. If applying for spring or summer semester enrollment, consult the individual institution for information about appropriate deadlines. Note that you must provide your Social Security Number on your application if you intend to apply for financial aid. Applying for financial aid will have no bearing on an admission decision.

On-Campus Housing: Since demand for student housing exceeds availability at many institutions, it is important to apply for housing as early as possible. Most UW System institutions automatically furnish housing information and materials to each applicant admitted. UW-Madison sends a housing contract to admitted students for the fall semester as long as space remains available; however, students interested in living on campus beginning in the spring semester must submit a separate housing application available by writing or calling the University Housing Office. Students wishing to live on campus at UW-Marathon County or UW-Richland should request an application from the Student Services Office.

Equal Opportunity: The UW System is committed to equal opportunity for all. No student may be denied admission to, participation in or the benefits of, or be discriminated against in any service, program, course or facility of the system or its institutions because of the student’s race, color, creed, religion, sex, national origin, disability, ancestry, age, sexual orientation, pregnancy, marital status or parental status.

Inquiries concerning compliance with the requirements of Title IX, referring to equal opportunity regardless of sex may be directed to the UW System Office of Human Resources and Workforce Diversity, 1570 Van Hise Hall, 1220 Linden Dr., Madison, WI 53706 (608-262-5504). Inquiries pertaining to nondiscrimination on the basis of disability may be addressed to the Office of the Chancellor of any UW System institution.

Use and Disclosure of Racial/Ethnic Information: The U.S. Department of Education requires the University to report the number of students in various racial/ethnic categories. Your cooperation in furnishing accurate information will be appreciated.

Racial/ethnic heritage information will be treated as confidential and will not appear on academic records, grade reports, class lists or transcripts. Individual student racial/ethnic information will be released only with the student’s consent or as otherwise required or permitted by law.

ADDITIONAL UW SYSTEM INFORMATION

For Students for Veterans: For the purpose of this application only, a veteran is a former or current member of the United States Military. Veterans no longer serving need to have been discharged in good standing. Eligibility for benefits or services will vary based upon the individual’s specific level of service. Please note that other agencies or applications may use a different definition to establish veteran status.

UW System institutions are approved to offer veterans’ educational benefits under programs provided by the U.S. Department of Veterans Affairs and the Wisconsin Department of Veterans Affairs. There are also programs and benefits that provide services to spouses and children of those who have or are currently serving in the U.S. Military.

For information on veterans’ educational benefits, contact the U.S. Department of Veterans Affairs Education Service at 800-827-1000 or visit their Web site at www.gibill.gov. Information on Wisconsin state benefits is available from the Wisconsin Department of Veterans Affairs: call 800-947-8387 or visit their Web site at dva.state.wi.us/ben_education.asp. The names and phone numbers of veterans affairs coordinators for each UW System institution can be found in the UW HELP Web site at uwhelp.wisconsin.edu/studentlife/veterans.asp.
